Submitting Your Work :

If you would like to contribute or collaborate in our
project Around Europe Graphic Design Promotion
we'd be pleased to hear from you soon!

Whether you have a complete body of work or
only an idea at present, we are excited to get to
know more. Just e-mail us with a few details about
yourself. You may include attachments no larger
than 3MB.

Also, if you have a friend who would be interested
in contributing, please let us know! It'd be a shame
leaving someone out who would just as perfectly fit
in as you do!

In case you do not wish to receive any future mai-
lings, please reply this email to us with the subject
"REMOVE ME".

The book will be presented in the
future platform
AroundEuropeDesign
(www.aroundeuropedesign.com)
with information about you
and your studio as well as some
selected works which have been
featured in the book.

At the same time we will be
planning an
AroundEuropeDesign landing®
exhibition in Vienna which will
feature selected works from the
book.

We plan to land in Madrid in 2007!

As for Madrid, it is the annual meeting for Spanish graphic design, the theme that year will be „SIGN“. We will organize the conference „AroundEuropeDesign“ and present the book: „Around Europe: Promotion“ along with some selected examples in the exhibition.

If you're interested in taking part, we'll be off our feet! Simply fill in the form you find on the last pages of this pdf, attach some images; i.e. a nice and/or freaky portrait of you and the members in your team, the history of you, your studio and the achievements you made and return it asap to

vienna@julandscape.com

postal address: JULAND BarcelonaVienna

Bergsteiggasse 14-16/2/5 in 1170 Vienna, Austria

Fax: 0043-1-407 59 68 77

Don't forget to add the pieces of your work which you like to be featured in the book... now hit the ground and get running!

Deadline 5th of February
**Are you
ready?!**
yes or no, please let us know!

ABOUT

JULAND*
BarcelonaVienna

* ... develops projects and visions in line with Creative Communication. We design concepts and strategies on the basis of research and an architecture of solutions. We create applications and rich design proposals focused on accessibility, usability and functionality.
